Sampat Laxman Holabasappagol

Bengaluru (Bangalore) Urban • sampatlh21@gmail.com • 6363996051

SUMMARY

Highly-motivated employee with desire to take on new challenges. Strong work ethic, adaptability, and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills.

PROFESSIONAL EXPERIENCE

Kodnest Technologies **Bengaluru, Karnataka, India**

Software Development Intern **09 Feb 2026 - Present**

- Intern at KodNest, where I acquired practical skills in Java, MySQL, Frontend Technology, contributing to real-world projects and learning directly from industry professionals

PROJECT EXPERIENCE

- **Hospital Management System**
  - Developed a web-based Hospital Management System using Java, JSP, Servlets, MySQL, HTML, CSS, and JavaScript. Implemented patient registration, doctor management, appointment scheduling, and user authentication modules. Integrated MySQL database using JDBC and deployed the application on Apache Tomcat, improving hospital record management and operational efficiency.

- **PetHub – Pet Management & Care Platform**
  - Developed a web-based pet care platform that enables users to manage pet profiles, medical history, and vaccination details, book veterinary appointments, and purchase pet food and accessories. The platform also provides an admin module for managing appointments, products, inventory, and orders, offering a centralized solution for pet owners.
